

Rehabilitation of Road EN242 From Litunde to the Cabo Delgado Border : Niassa Province, Mocambique

The Niassa contract comprises the rehabilitation of 315km of gravel road to a surfaced standard. The site is located in the far northern Niassa province of Mozambique, and the road runs from Litunde to the Cabo Delgado provincial Border.

The works also include the construction of a new bridge over the Luambala River, the construction of various large diameter Armco drainage structures as well as 5 other Bailey bridges along the route.
